Armstrong Harambee WTTG-TV 5/7/77 7:30 p.m.
opened with 2 episodes film
much public criticism - enough on record in previous cong. inv.
of both Kin & King
Leads before them "all new" what know new about LHO - doesn't
answer allegs officials withholding from WC
Says CIA had "threatening notes" from LHO
Claims Texas officials on LHO is FBI agent - Didn't what follows all
Says CD 1052 Says Dulles said FBI would not admit from my work
"We have now identified about a hundred who were at the scene"
"suspicious deaths" certainly - That subject of interesting area
"Mitrokhin" maybe suspect. Does not even reject possibility
of Ruby is injected with cancer.
High on Rep. Ruby - Oswald association: Kept on King
~~Stated both~~ Lone - gripes charge of FBI in act re sale:
"I can understand" what is in minds of Americans on this
"he did not know at that point that this FBI" boss dirty
dirty tricks on King - where were those who plotting
King when he was killed. On switch of hotel
"Well there was a good bit of activity" by militants
Cead" we are looking at the whole picture to see "if
"That was to get" King "in place" Reports on King
has "new kind" on Memphis. Still suppose's Board
Says Ray has a chance to say what he did not have a chance to say before
looking at all records of investigative agencies.
Need fact on reporters "I'm concerned about the integrity
of the news. press." Says he is for "hard" reporting.
Judges that those on CIA payroll are "not getting"
to the news people." or write these stories
